ABOUT LAUMAS-US

We stock many of the weighing and force measurement products offered from LAUMAS Bridge Load Cells, weight indicators, load cell transmitters, amplifiers, and scales all stocked in the USA for faster and more cost efficient delivery. USA based technical support.

WEIGHING SYSTEM DESIGN SERVICE

Not just a distribution center, LAUMAS US will collaborate with you to help design your unique weighing system. Our sales team specializes in utilizing standard load cells and instrumentation to meet most applications. Need a custom load cell? We do that too!

Visit the LAUMAS Main Website

You can find the entire LAUMAS product line, download manuals, view even more videos, and learn more about the company.
